## How Reason and Faith Co-Exist

\_\_\_\_\_ + \_\_\_\_\_ = \_\_\_\_\_

## But, Can Fallen Humans Really Trust Their Own Rationality?

**Romans 8:5-8, Romans 1:18-24, 1 Corinthians 2:12-14, John 6:44**

Biblical truths were delivered EVIDENTIALLY to eyewitnesses who then testified about them in the special revelation of the scriptures, and these truths are also available to us EVIDENTIALLY through the natural world that we live in. We observe and listen to the eyewitness accounts of scripture and to natural revelation using our empirical senses, and we appraise the evidence using our rational minds. Yes, God does 'flip the switch' and remove barriers that we construct to deny the truth, but He expects us to reason through the evidence once the switch has been flipped.
